

# Department of Dentistry & Oral Health

## La Trobe Rural Health School

The Department of Dentistry & Oral Health requires students to purchase instruments, equipment and uniform items for use in throughout their courses.

Listed are the preferred suppliers for the School of Dentistry & Oral Health chosen based on best price, service and reliability. *Please note the Department does not profit from the sale of any of the equipment, instrument nor uniform items.* Alternatively, you have the right to source your own instruments and equipment.

Below is a summary of the costs for the first year. More detailed information and order forms are issued at enrolment. Please be aware that *textbooks and the necessary credential checks (Working with Children Card, Police check, First Aid - Level 1 and Screening & Immunisation)* are at additional costs, and are not included in this list.

There are some additional instrument & equipment purchases for second year BOHSc students and 3<sup>rd</sup> year BHSD students.

### FIRST YEAR Instruments and equipment prices for 2011

ITEM	PREFERRED SUPPLIER	QUOTED PRICE
<b>Restorative Kit</b> <i>Compulsory for dentistry &amp; oral health students</i>	Dentsply	<b>\$810</b>
<b>Periodontal Kit</b> <i>Compulsory for dentistry &amp; oral health students</i>	American Eagle	<b>\$303.60</b> (stainless steel) OR <b>\$369.60</b> (XP)
		<b>for 2nd yr oral health 2012</b> \$137.50 (SS) OR \$203.50 (XP)
<b>Manikin Kit</b> <i>Compulsory for dentistry &amp; oral health students</i>	Gunz	<b>\$444.00</b>

Semester 2 2011- All dentistry students should have the loupes and be using them in sim-lab

**FURTHER INFORMATION** on loupes can be found with this online tutorial at

[http://download.zeiss.de/medical/loupes/classroom/au/lo/loupeindexLB\\_a.htm](http://download.zeiss.de/medical/loupes/classroom/au/lo/loupeindexLB_a.htm)

## **SECTION B - UNIFORM REQUIREMENTS**

### **1. CLOTHING**

The School requires each student to wear a uniform for all clinical and pre-clinical settings.

- **Compulsory** for both dentistry and oral health students
- Dental gown to cover uniform while in pre-clinical situations. This is a white, loose fitting gown that ties at the back; with LaTrobe logo embroidery on the front. A lab coat is NOT suitable for this purpose.
- French Blue shirt with LaTrobe & School logo over black pants/trouser, black low heeled shoes that enclose the foot including top and heel of the foot.
- Denim, jeans-like trousers are NOT suitable as uniform items.

#### **DATES**

The staff from the Bundoora campus store will attend Bendigo campus for a uniform try-on day and to take orders. The date will be confirmed at the commencement of semester 2011. Some leniency is allowed for first year students until they receive their uniform orders from Image La Trobe however the requirement for black pant/trousers, low-heeled black shoes that enclose the foot including top and heel of the foot is mandatory at all times for safety.

## 2. SAFETY GLASSES-

- **Compulsory** for both dentistry and oral health students.

Latrobe Bendigo campus bookshop and stationary store stocks safety glasses. Many other stores also offer a variety of styles and students are welcome to source their own safety glasses. Please ensure they are designated safety glasses with wrap-around type lenses for protection from flying debris typical when using dental equipment. The following links to web sites are merely a guide to show a good array of safety glasses available. Prices can range from \$10 to hundreds depending on the brand. Worthwhile checking the Latrobe Bendigo campus bookshop and stationery store first.

Fashion prescription eyewear is not suitable as safety glasses. Anyone who needs to wear prescription glasses is encouraged to locate safety glasses that will cover the prescription glasses as well; a face shield is a suitable alternative for safety glasses, as are 'GOOGLES'

### DATES

Week 1 of first semester ie; Required from the first practical session in the dental and science laboratories.
